Subject: Case Number: 22-10964 (MG)
Getting my assets returned from bankrupt Celsius

Dear Your Honor;

I am a retired American citizen, living in Thailand. I invested three generations family wealth in my life savings with Celsius. Unfortunately, Celsius filed for bankruptcy.

I would like to have my assets returned to me. I turn 70 years old at the end of July 2022.
I do not know about lawyers. I could not afford them in this present situation.

Could you please award me my assets and have them returned to me?

Why do I ask for my assets, rather than a dollar value?

The reason is:

I bought some Bitcoin at around \$58,800 per Bitcoin. It went up to \$69,000 per Bitcoin.

Bitcoin is now around \$20,000 per coin.

I would rather have my Bitcoins, instead of the present cash value, as I believe the value will appreciate again, once the Bear Market is over and a Bull Market begins again.

This same logic applies to my other assets, rather than getting cash back in a down market.

I would like my assets restored to me.

Thank you for being considerate of the common people who trusted and invested with Celsius.

Sincerely,
